

Qualitatively superior dehumidifiers

AIR DRY

**STIELOW Dehumidifier
AIRDRY 4 D, 3 D, 3-2 D**

Standard equipment

- Water tank
- Water level indicator light
- automatic appliance switch-off when the water tank is full
- 1/2" threaded drain connection for permanent water drainage
- Industrial swivel castors
- Handle scales on both sides
- Axial fan stepless
- aluframe-tec-composite
- hot gas defrosting
- fully automatic operation
- operating hours counter
- Sound-absorbing "Armstrong" version
- Aggregate sealing
- Power connection cable up to 30 m
- external humidity controller
- Dew point controller internal/external
- separate frost monitor
- Special paintwork according to RAL
- Special paintwork on request
- Tropical version (over 30° C)
- Condensate water pump 1.5 - 6.0 m delivery head
- Built-in fault indicator
- Data bus Remote monitoring
- Protection class IP 54

Extras

- Electricity consumption meter
- V2A Housing
- Crane hook attached
- Wall bracket

30% Energy saving!

DIGITAL CONTROL – illuminated display, 4 buttons for easy programming, display correction individually selectable, hysteresis (humidity deviation) adjustable, response time of less than 1 second, self-diagnosis every second, visual error messages on the display, pre-programmed, self-calibrating, green dehumidification indicator light, orange defrost indicator light, red warning light, water tank filled to maximum, illuminated main switch, automatic hot gas defrost.

33-55 litre class

400-700 cbm Volume

Service providers, construction companies, equipment rental companies, commercial and private customers have been utilising the advantages of AIRDRY dehumidifiers for many years. Whether as a single appliance or for 'fleet use': AIRDRY appliances last longer than others and impress with their extreme value in daily use. Accidental damage is almost unheard of, so that the appliances remain operational even after long periods of use.

Their robustness and favourable power consumption, combined with simple handling and complete standard

equipment, make them superior. Special requests can be catered for as extras.

Trust the original, don't make any compromises if your priority is to be able to dry reliably and permanently.

Low power consumption with maximum water extraction !

STIELOW®

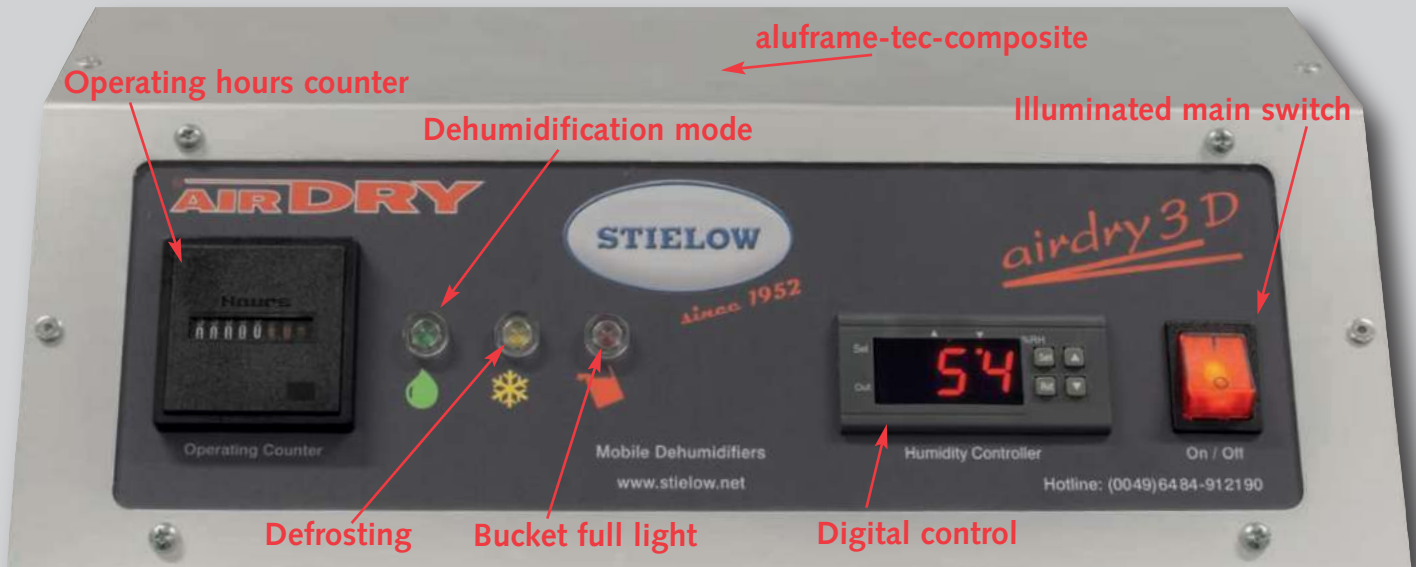

Advantage and Technology made in Germany

Trust the original

since 1952 by STIELOW

Dehumidifiers – in demand like never before !

Ideal for people and the environment

Technical Parameters:
