**16-55 litre class
150-700 cbm Volume**

STIELOW AIRDRY dehumidifiers remain what they have always been - products of the highest quality.

Manufactured by hand since 1952 from hundreds of individual parts, the variety of models still requires manual production to this day.

Every single STIELOW dehumidifier is created with care and the highest standards of durability, with dedication and attention to detail - guaranteed!

That is why every STIELOW dehumidifier always remains something special.

Trust the original, don't make any compromises if your priority is to be able to dry reliably and permanently.

*30%
Energy
saving!*
